Hochwassergefahrenkarte Röden

Hochwassergefahrenflächen (Eintrittswahrscheinlichkeiten)

Risikogewässer: Röden

Blattschnitt: 24162 RODEN1 K02

Wasserwirtschaftsamt: Kronach

Landkreis / kreisfreie Stadt: Coburg

Kommune: Neustadt b.Coburg; Rödental

A small map of the state of Hessen in Germany, with a red box highlighting a specific area in the northern part of the state. A legend on the right side of the map indicates the scale (1:100,000) and the names of the districts: Wetteraukreis, Darmstadt-Dieburg, Landkreis Offenbach, and Landkreis Darmstadt-Dieburg.

angenehm

Bad Wörtemberg

A map showing the A3 highway and the B27 road. The town of Röden is highlighted with a red box. Other nearby towns like Neukirchen and Kitzingen are also labeled.

An aerial photograph of Coburg, Germany, with a red rectangular box highlighting the city center. The image shows the city's layout, the river Main, and surrounding hills. Labels include 'Coburg', 'Coburger Landkreis', 'K02', 'b. Coburg', and 'Lauter'.

A detailed map of the 303 route, showing the road from Kronach through Ebersdorf and Grub a. Forst to Ahorn. The route is highlighted in yellow. The map includes surrounding towns like Gestungshausen and Schmidmühlen, and a network of smaller roads and tracks.

A map segment showing the Werra River flowing through the region of Niedersulz. The river is depicted in blue, with several towns and locations marked along its course. From west to east, the labels include: Schneckenlohe, Werdhausen, Frohnlager, Untereimel, and Niedersulz. The map also shows the boundaries of the Werra-Meißner-Kreis and the state of Hessen.
